

Itálica

We will begin the excursion to the **Roman city of Itálica** starting from one of the meeting points and traveling in private transport as indicated. There will be a short ride and then we will be able to enjoy **the Ruins of Itálica**. Our official guide will give you a brief presentation of the tour and we will enter the ancient city, which saw the birth of emperors like **Adriano and Trajano**, to discover all the secrets of the place.

We will see ancient **streets, mosaics, hot springs, aqueducts and houses**, such as that of Neptune or “of the birds”. These are just a few of the wonders there that we will have the opportunity to discover on a full tour that will leave you in wonder.

The famous **Itálica Amphitheater** is the third largest one in the world, with a capacity for 25,000 spectators and where the **famous gladiatorial fights** took place. It is one of the highlights of **the popular Game of Thrones series as well**.

We will also visit its famous **Roman Theater**, discovered in the middle of the twentieth century, one of the best preserved in Europe and still in use today.
